Legend:

- **Find & Appraise** = Assessment of records (all formats) and identification of appropriate retention periods
- **Processing** = Any handling of collections that contributes to making them more accessible. Includes boxing, foldering, arranging, describing archival records and preparing inventories
- **Reference** = Assisting on-site and remote researchers by locating, retrieving and reshelving information and materials
- **Provide Intellectual Capital** = Prepare and package history of SLAC in various formats for various audiences
- **Other hours** = Meetings, training, colloquia, administrative and supervisory tasks, etc.
- **Accessions** = Batches of records (of varying volume) received at the same time from the same creating person or office, and handled as a single intellectual unit by the AHO
- **Disposal** = Temporary records that have reached the end of their retention period and are recycled or shredded, as appropriate
- **Products received** = Copies or notifications of publications, webpages, etc. using materials located and provided by AHO
- **Outreach** = Presentations and interviews by AHO staff, Archives Month activities, etc.
